Letter to the Noble Minded and Initiation of Chenrezik

April 5th and April 6th at 7pm

Directions

1240 Franklin St. is just south of Wilshire Boulevard on the eastern border of Santa Monica, half way between 26th St and S. Bundy Drive.

An easy landmark while driving down Wilshire is the blue arch in the shape of a wave spanning the road, marking the border of West LA and City of Santa Monica.

Apartment 7 is the back of the building on the first floor. Enter from Franklin St and follow the path alongside the building to the back, just before you see the garage take the stairway up on your left.

Parking

The City of Santa Monica relishes parking enforcement and finding spaces on Franklin and the neighbouring roads can be difficult.

Many meters and spaces can be found by going past Franklin Street heading East on Wilshire and by parking on the cross streets just over the border in West LA, such as McClellan, Wellesley and Amherst. It's 5 minutes walk back to Franklin St.

Bus

Santa Monica's Big Blue Bus no.2 runs from Ocean Park to Downtown and along Wilshire Blvd.

The Big Blue Buses 1,10 and 11 run along Santa Monica Blvd from Downtown Santa Monica.
